

Neural Basis of Learning

Research Colloquium SoSe 2022

Lukas Hahn

Ruhr-University Bochum

**Proximate and ultimate causes of
working memory capacity: Comparative
electrophysiological studies in birds**

! 13.04.2022 – 14:15 CEST

Will Clark

Ruhr-University Bochum

**Separating low-level image properties from shape
processing: The effect of image scrambling on
neuronal responses in pigeons**

06.05.2022

Talks to be announced

03.06.2022

01.07.2022

Meeting-ID: 643 4270 6573

Password: Cognition
